WITNESSETH

WHEREAS, Grantor is the owner in fee simple of certain real property depicted in Exhibit A attached hereto and described as: Lot _____ of _____, being a Subdivision of part of the _____ 1/4 of the _____ 1/4 of Section _____, Township Five (5) North, Range Twenty- one East, in the City of Franklin, Milwaukee County, Wisconsin; and

WHEREAS, the grantor desires and intends that the natural elements and the ecological and aesthetic values of the Shore Buffer, (“Protected Property”) on Lot __, be preserved and maintained by the continuation of land use that will not interfere with or substantially disrupt it’s natural elements or the workings of it’s natural systems; and

WHEREAS, grantee is a “holder”, as contemplated by §700.41(1)(b)1. of the Wisconsin Statutes, whose purposes include, while exercising regulatory authority granted to it, *inter alia*, under §62.23 and §236.45 of the Wisconsin Statutes, the conservation of land, natural areas, open space, and water areas; and

WHEREAS, the grantor and grantee, by the conveyance to the grantee of the conservation easement on, over, and across the protected property, desire to conserve the natural values thereof and prevent the use or development of the protected property for any purpose or in any manner inconsistent with the terms of this natural resource protection easement; easement; and

WHEREAS, the grantee is willing to accept this natural protection easement subject to the reservations and to the covenants, terms, conditions, and restrictions set out herein and imposed hereby;

NOW, THEREFORE, the grantor, for and in consideration of the foregoing recitations and of the mutual covenants, terms, conditions, and restrictions subsequently contained, and as an absolute and unconditional dedication, does hereby grant and convey unto the grantee a conservation easement in perpetuity on, over, and across the protected property.

Grantee’s rights hereunder shall consist solely of the following:

1. To view the protected property in it’s natural, scenic, and open condition;
2. To enforce by proceeding at law or in equity the covenants subsequently set forth, including, and in addition to all other enforcement proceedings, proceedings to obtain all penalties and remedies set forth under Division 15-9.0500 of the Unified Development Ordinance of the City of Franklin, as amended from time to time, any violation of the covenants subsequently set forth being and constituting a violation of such Unified Development Ordinance, as

amended from time to time, or such local applicable ordinance as may be later adopted or in effect to enforce such covenants or the purposes for which they are made, it being agreed that there shall be no waiver or forfeiture of the grantee's right to insure compliance with the covenants and conditions of this grant by reason of any prior failure to act; and

3. To enter the protected property at all reasonable times for the purpose of inspecting the protected property to determine if the grantor is complying with the covenants and conditions of this grant.

And in furtherance of the foregoing affirmative rights of the grantee, the grantor makes the following covenants which shall run with and bind the protected property in perpetuity, namely, that, on, over, or across the protected property, the grantor, without the prior consent of the grantee, shall not:

1. Construct or place buildings or any structure;
2. Construct or make any improvements, unless, notwithstanding Covenant 1 above, the improvement is specifically and previously approved by the Common Council of the City of Franklin, upon the advice of such other persons, entities, and agencies as it may elect; such improvements as may be so approved being intended to enhance the resource value of the protected property to the environment or the public and including, but not limited to animal and bird feeding stations, park benches, the removal of animal blockage of natural drainage or other occurring blockage of natural drainage, and the like;
3. Excavate, dredge, grade, mine, drill, or change the topography of the land or its natural condition in any manner, including any cutting or removal of vegetation, except for the removal of dead or diseased trees;
4. Conduct any filling, dumping, or depositing of any material whatsoever, including, but not limited to soil, yard waste, or other landscape materials, ashes, garbage, or debris; except that, since the protected property has previously been farmed, the grantor shall provide such grading as permitted by the City of Franklin Engineer and as necessary to the purpose of the Shore Buffer and its support of native vegetation, which shall be planted within the protected property by the grantor, upon a plan approved by the City of Franklin Planning Manager, on or before _____.
5. Plant any vegetation not native to the protected property or not typical wetland vegetation;
6. Operate snowmobiles, dune buggies, motorcycles, all-terrain vehicles or any other types of motorized vehicles.

To have and to hold this natural resource protection easement unto the grantee forever. Except as expressly limited herein, the grantor reserves all rights as owner of the protected property, including, but not limited to, the right to use the protected property for all purposes not inconsistent with this grant. Grantor shall be responsible for the payment of all general property taxes levied, assessed, or accruing against the protected property pursuant to law.

The covenants, terms, conditions, and restrictions set forth in this grant shall be binding upon the grantor and the grantee and their respective agents, personal representatives, heirs, successors, and assigns, and shall constitute servitudes running with the protected property in perpetuity.
