

Appliance recycling programs offer cash-back rewards

Wondering what to do with the old, inefficient refrigerator or freezer in your garage or basement? Energy efficiency programs in Wisconsin and Michigan offer free refrigerator/freezer pickup and recycling service – as well as a cash-back reward!

We Energies – Energy You Can Depend On

Appliances must be in working condition, with a clear and safe removal path. Limited to two appliances (refrigerator or freezer) per household per calendar year. Additional conditions apply. Contact your state's program to learn more.
