Your tax bill reflects changes in the assessed value of your property based upon the revaluation process that occurred earlier this year. With property taxes for City purposes remaining frozen, the general decrease in the property valuation is offset by an increase in the property tax rate. As such, the increase in the property tax rate DOES NOT equate to a corresponding increase in property taxes applicable to any given property.

Please direct any concern relative to an increase in property tax levy by a taxing jurisdiction to that respective tax jurisdiction. Please call Franklin City Hall at 425-7500 if you have questions concerning the data contained in this fact sheet.

\* The school levy credit reduces the effective school districts property tax levy.
