Alcohol reduces performance
20-30% in high school athletes

Alcohol impairs reaction time
up to 12 hours after drinking

Heavy drinking can result in a
loss of 14 days of training

THE MOST**

Don't be
a party to
teenage
drinking.
It's against
the law.

FAPSU is a cooperative
community coalition that
will prevent and reduce
alcohol, tobacco and
other drug use by youth
through implementing
policies and changing the
culture to create a
healthy community.

We recently received a
federal grant to continue
our work preventing and
reducing youth
substance abuse in our
community.

Visit our website or
facebook page to learn
how you can get involved.
