

Project BRIEF

S. 27th Street (Milwaukee County) Project Information

About The Project

The project stretches approximately 2.3 miles from south of W. Drexel Ave. to north of W. College Ave., in the cities of Franklin and Oak Creek in Milwaukee County.

Construction began in spring 2015 and is scheduled to be completed late fall 2016.

The Wisconsin Department of Transportation (WisDOT) has resumed construction of WIS 241 (S. 27th Street), from south of W. Drexel Avenue to north of W. College Avenue.

As part of the reconstruction project, the following upcoming project work and closures are scheduled for the next phase of this project:

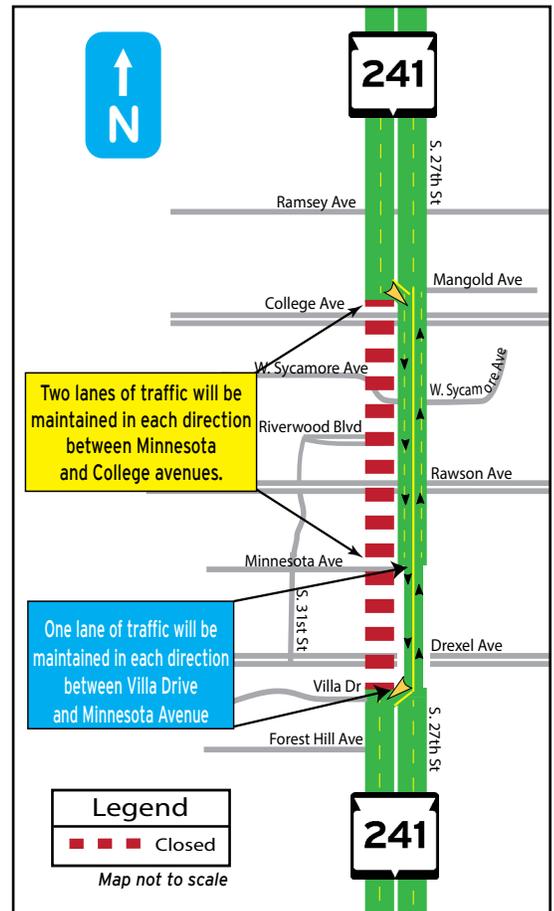

North segment traffic switch on S. 27th Street scheduled for late March:

- WIS 241 southbound traffic between College and Minnesota avenues are scheduled to be shifted to the newly constructed northbound lanes until summer, while crews reconstruct the southbound lanes. (See map for details)
- Two lanes of traffic will be maintained in each direction between Minnesota Avenue to just north of College Avenue.
- One lane of traffic will be maintained between Villa Drive north to Minnesota Avenue.

The project team thanks you for your patience and cooperation throughout this project.
